

November 2011

Dear Fellow Investors and Friends:

I recently received this thank you note and report from Reverend Tim Henning, pastor of The Church at Trussville. I was very encouraged by what Tim said and I know you will be too as his words are really meant for you as well as the ADF staff:

Reverend Henning and the work in progress

I want to express appreciation for all the encouragement and support ADF has given in the building effort of The Church at Trussville. As I have said before, the staff of ADF clearly lives out the C&MA value of faith-filled risk. Thank you for modeling this value and making it come alive. Without a doubt, with ADF, this is more than a statement printed on a C&MA document.

Just a quick update – we have been meeting in our building for four Sundays now. We are still hanging some doors and painting some rooms, but nearing completion. Every Sunday so far we have had new people and new families attending the Sunday services. We are following up with these people. We are getting positive feedback and the promise of many to return. Last Sunday, we had a single mother attend and indicate that she had invited Christ into her heart and life at the worship service. We praise the Lord for the moving of His Spirit in her heart. We are also doing follow-up with her. I am starting a bible study series for all our new contacts called Discipleship 101. We will be meeting Wednesday evenings at the same time that our kids AWANA clubs are meeting. So far, I am getting encouraging responses.

Last night, we launched our AWANA clubs. We saw a lot of excitement and new kids attending.

Pray with us that we can reach more people and disciple them as they come our way. We are just now

getting these ministries started and we need God's blessing and empowering.

Please express to everyone at ADF our appreciation for their prayers and support of The Church at Trussville.

May the Lord continue to bless and use us all for His glory.

On behalf of Pastor Tim, his church, and many more just like him, thank you.

Please contact me or our team members with [questions, comments, or prayer requests](#). They are always most welcome.

Sincerely,
